Letter of Appreciation

To,

20th April, 2023

Dr. Rita Latha D'coutho, Principal
St. Joseph's College For Women
Alappuzha - 688 001, Kerala

Subject: Appreciation for remarkable contribution to NIEPA research study

Dear Dr. D'coutho,

I, on behalf of the Department of Higher and Professional Education of the National Institute of Educational Planning and Administration (NIEPA), New Delhi, appreciate you and your team for all the hard work and diligent effort that put into providing the required information and data to us during our visit to your esteemed college on 3rd November, 2022.

We are grateful to have your college as one of the sample colleges from Kerala for conducting the NIEPA national level research study titled, "Library Facilities in Indian Undergraduate Colleges and its impact on Students' Academic Performance". We understand and value your contribution in bringing the project to fruition. We hope that the data gathered from your college will be useful in bringing out policy suggestions for improving library facilities with effective services in the colleges.

I wish and expect your institution to grow more and get success in future endeavor under your abled leadership.

Thanking You,

Yours Sincerely,

(Sangeeta Angom)
Project Coordinator

HOW SOCIAL MEDIA IS AFFECTING RETENTION OF INFORMATION

- Do not form a memory of the information
- Form a memory of how to retrieve that information on the computer
- Worse on cognitive tests
- Exert more effort to remain focused
- Unable to ignore distraction leading to Procrastination
- Lowering ability to maintain attention on any one selected topic
