Queries regarding the test and availability of scholarships were cleared and the programme was found to be beneficial to the students.

22 March 2023-Training on KEM, DWMS and Job Openings in Kerala

In collaboration with Knowledge Economy Mission, Kerala, a training session on the app and website 'DWMS' initiated by Knowledge Economy Mission Kerala, a platform connecting all stakeholders in creating a knowledge-based ecosystem was organised. The platform opens several job opportunities across Kerala, primarily targeting freshers and students. The Resource person from Knowledge Economy Mission explained and demonstrated the app and helped students create a DWMS profile by which several students attended the upcoming job placement fairs. The Resource person trained the final semester students batch-wise (BA English, BCom and BCE students-1 st batch, BA History students-2nd batch, MA English-3 rd batch), which helped in the better outcome of the session. Kerala Knowledge Economy Mission, a state government initiative specifically selected the college as one of the colleges in Alappuzha to conduct their training session. This was based on the college's active response in forming a Knowledge Job Unit earlier.
